

# GESNERIAD PLANT SALE

**Saturday, May 31, 2008 10AM-3:30PM FREE Admission**

San Francisco County Fair Building, Garden Club Room  
9<sup>TH</sup> Avenue & Lincoln Way, Golden Gate Park, San Francisco

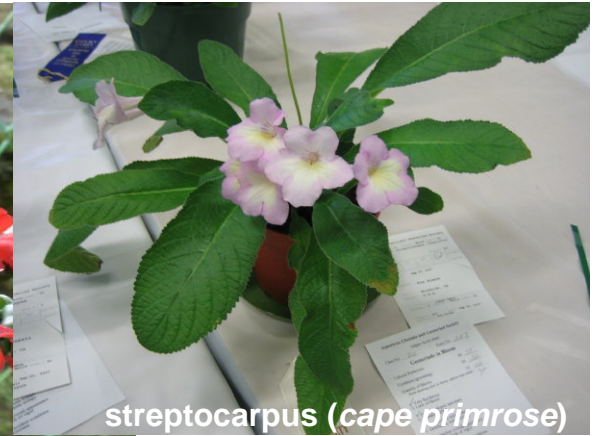

**A special display of show quality gesneriads will also be on view.**

The exotic and rare household plants of the Gesneriad family include saintpaulia (*African violet*), episcia (*flame violet*), sinningia (*florist gloxinia*), streptocarpus (*cape primrose*), nematanthus (*goldfish plant*), aeschynanthus (*lipstick vine*), to name a few.

A few other houseplants will also be available for sale.

aeschynanthus (*lipstick vine*)

streptocarpus (*cape primrose*)

petrocosmea

episcia (*flame violet*)

You can purchase hard to find plants at great prices. Cuttings and potted plants range from \$1-\$8. Exceptional specimens are higher priced. *New to growing these plants? There will be plenty of friendly and expert advice available.*

**San Francisco Gesneriad Society**
